

REFERRAL FEE SYSTEM

In order to increase our business, and our staff as well, we are implementing an open Referral Fee System. The Referral Fee System is released to anyone. It will be an incremental system, meaning that the more people you refer, the more money you earn!

Effective October 1, 2008, Aeroframe Services will pay out a referral fee for each technical skilled professional hired as a direct employee that remains employed with Aeroframe for over 90 days.

What defines a technical skilled professional? A professional with three or more years of aircraft heavy maintenance experience.

- Step 1: Refer a skilled/technical professional to Aeroframe.
- Step 2: Tell them to visit www.aeroframe.com and email their resume to careers@aeroframe.com or fax it 337-312-2439.
- Step 3: Tell them to call 337-312-2504 and mention your name when calling.
- Step 4: If the skilled professional is hired directly and remains employed with Aeroframe for over 90 days the referrer will receive a check for \$250.00 dollars.
