AEROFRAME AIREPAIRS RECEIVES SILVER BOEING PERFORMANCE EXCELLENCE AWARD

Memphis, Tennessee, January 1, 2009 – Aeroframe Airepairs today announced that it has received a 2008 Boeing Performance Excellence Award. The Boeing Company issues annually to recognize suppliers who have achieved superior performance. Aeroframe Airepairs maintained a Silver performance composite performance rating for each month of the 12-month performance period, from October 1, 2007, to September 30, 2008.

This year, Boeing recognized 411 suppliers who achieved either a Gold or Silver level Boeing Performance Excellence Award. Aeroframe Airepairs is among 325 suppliers to receive the Silver level of recognition.

We feel it is important to maintain good customer relationships based on quality, service, and delivery. This helps maintain optimum aircraft readiness in support of our troops in these uncertain times. We are very proud of the efforts of our employees and vendors. Their work ethic and support helps us achieve this level of service.

Aeroframe Airepairs supplies aircraft component repair support to Boeing for the KC-10 Program.
