AEROFRAME REACHES MILESTONE WITH USA3000 AIRLINES

AeroFrame, America's largest Airbus maintenance facility, is proud to announce that it's 100th aircraft maintenance event for USA3000 Airlines is scheduled to be inducted this week.

Based out of Philadelphia, USA3000 Airlines utilizes a state-of-the-art Airbus A320 fleet, offering an extraordinary list of amenities to include spacious seating, plenty of overhead storage, great food, friendly service, and free entertainment. USA3000 flies to over 20 prime vacation destinations and has been named one of the Top 5 "Best Domestic Airlines" for 2008 by subscribers of Travel + Leisure Magazine for superior service and 93 percent on-time performance.

"USA3000 is a great airline with high expectations and standards. We are pleased that they choose to continue to return to AeroFrame for maintenance when they have other options available. We will continue to work hard to meet their standards." - Mike Long, CFO, AeroFrame.
